GC40 Concerning the Bio-fuel Industry and Bio-fuel Regulations (GC 40 2009 - 063)

True Document Date
August 14, 2009

That the General Council, through the General Secretary, General Council, ask the Government of Canada, in particular the Ministry of Agriculture and Agrifoods, to carefully re-examine the proposals in Bill C-33 by conducting a comprehensive study of bio-fuel production which includes public consultations about the environmental and social impacts of bio-fuel production before establishing definite strategies with regard to mandating ethanol percentages in automotive fuels.
