# GC38 Bearing Faithful Witness

True Document Date: August 1, 2003

**Bearing Faithful Witness** contains the Statement on United Church-Jewish Relations Today, which was approved at General Council in 2003.

In this statement we acknowledge a history of anti-Judaism in Christian biblical interpretation, theology, and action. We affirm the significance of Judaism as at once a religion, a people, and a covenant community. Rooted in our common calling to God's world-mending work, the statement encourages all in the church to seek opportunities to meet with Jews and to learn about modern Judaism, to continue to study significant issues, to resist antisemitism and anti-Judaism in church and society, and to create worship opportunities to highlight the Jewish-Christian relationship.
