

GCE41 Socially Responsible Investment and Resource Extraction (2013-11-16-100), (2013-11-16-101)

True Document Date November 15, 2013

The original motion was amended to first receive the report, then approve the recommendations.

That the Executive of the General Council

- 1. Receive the report of the Socially Responsible Investment and Resource Extraction Task Group;
- 2. Approve the recommendations from the working group (Appendix PMM5 1 beginning on page 80) and direct the General Secretary to implement the recommendations as possible within existing resources.
