GC42 Reducing Carbon Emissions (GC42 2015-021)

True Document Date

August 13, 2015

That the 42nd General Council 2015:

1. Support a long-term global emission reduction goal consistent with the Paris agreement;
2. Recognize that a major portion of the Canadian economy produces products that generate carbon emissions such as electricity, transportation, manufacturing, mining, and production of oil and gas;
3. Remember:
 - A. the impact on the overall economy of Canada;

B. the impact on the individuals employed (families) in the various industries noted above;

C. the impact on the communities and communities of faith throughout Canada;

4. Encourage investment in green renewable energy and energy efficiency; and

5. Encourage investment in training, and job creation.

6. Direct the Executive of the General Council to take appropriate action to implement this policy.
