

The United Church of Canada General Council

GC31 Pastoral Care I (1986P111.01)

True Document Date
August 21, 1986

WHEREAS the Agriculture and Food Resources Committee is concerned that many urban people in Canada do not fully understand the problems facing agricultural and fishing families, or the contribution which these families are making to society as a whole:

That the General Council encourage The United Church Observer to continue to include articles that foster a better urban-rural understanding.
