

The United Church of Canada General Council

GC44 AUD03 Audit Committee Recommendations for October 19, 2024

Document Date
October 19, 2024

1. What is the issue?

This an annual task to meet compliance and reporting requirements.

2. Why is this important?

Among the duties of the Audit Committee of the General Council is to review the annual financial statements and the reports from the auditors, as well as recommending approval of the financial statements to the appropriate governance bodies.

The Audit Committee met on May 27, 2024 and June 17, 2024 and

- received the report from KPMG LLP, the Church's external auditors,

- considered the audited financial statements prepared by management, and
- recommended the financial statements for final approval by the Sub-Executive of the General Council.

Since 2017, as a streamlining measure, the Church's external auditor conducts a program audit of KAIROS to meet compliance and funder requirements, and KAIROS results are consolidated in the one statement as are other United Church programs. On the recommendation of the Audit Committee, the Sub Executive of the General Council approved the statements of the National Accounts of the United Church of Canada, which included KAIROS: Canadian Ecumenical Justice Initiatives on June 17, 2024.

3. How might the General Council respond to the issue

The Audit Committee recommends that the 44th General Council:

- 1. receive the report of the Audit Committee (appended);**
- 2. receive the 2023 audited financial statements of the National Accounts of The United Church of Canada which include KAIROS: Canadian Ecumenical Justice Initiatives (statement appended); and**
- 3. approve the appointment of KPMG as the Auditors for the National Accounts of The United Church of Canada fund for the 2024 year.**
