of Canada
General Council**

GC45 GS02 Consent Docket for Summer 2025

True Document Date: June 22, 2025

Origin: General Secretary

1. What is the issue? Why is it important?

Time is a precious resource at a General Council. The Consent Docket provides an efficient way to deal with several items in a single proposal.

2. What is happening now?

The items recommended for adoption within the Consent Docket are:

1. Routine business such as the Minutes of the previous General Council;
2. Work the 44th General Council considered and refined which is now ready for action by the 45th General Council, such as GS03, Change to Basis of Union: IV. Regional Councils, Section 6.2.3
3. Work that is coming to the 45th General Council as a recommendation from one of its committees based on their in-depth knowledge of the subject, such as:

Manual Committee

GS04 Clarifying Who Votes in the Remit Process

GS05 Editorial changes to The Manual, section I.1.2.4

GS06 Amendments to Section C.2.14

Judicial Committee

GS08 Finalization of the Decision of the Judicial Committee

GS09 Finalization of the Decision of the Judicial Committee

3. What is the recommendation?

That the 45th General Council:

1. Adopt the Minutes of the 44th General Council 2022 as published on [www.generalcouncil.ca](http://www.generalcouncil.ca;);

2. Receive the following reports:
