GC45 WF05: ECO05 Change to Churchhub Access For Ministry Personnel for Summer 2025

True Document Date: August 11, 2025

All groups who discussed ECO05 were in favour of the proposal allowing for ministers to view a congregation's call without formally requesting to be made available for call or appointment by the Office of Vocation.

It is noted that quite a few groups did not discuss ECO05.

Therefore, the Way Forward Team proposes:

That, in response to ECO05 Change to Churchhub Access For Ministry Personnel, the 45th General Council, 2025,

- **Approve proposal ECO05 Change to Churchhub Access for Ministry Personnel for Summer 2025:**
- **Direct the General Secretary to modify ChurchHub to allow for all ministry personnel to search the full "Find a New Ministry" section of ChurchHub prior to formally requesting to be made available for call or appointment by the Office of Vocation**
- **Continue to require ministry personnel to be made available for appointment or call, prior to formally applying through ChurchHub.**
