GC45 WF15: BNS02 Development of a Post Gaza Theology for Summer 2025

True Document Date: August 11, 2025

The majority of discussion groups discussed and supported BNS02/FSLDW01 which calls for the development of a Post Gaza theology. This work is emerging and we anticipate will take time to develop. While this theological development may begin, it may take longer than a General Council cycle to develop.

Therefore, the Way Forward Team proposes:

That, in response BNS02 Development of a Post Gaza Theology, the 45th General Council, 2025 refer BNS02/FSLDW01 Development of a Post Gaza Theology to the Theology InterChurch Interfaith Committee to provide an interim report to the 46th General Council.
