GC45 WF27: GCE03 Supporting Towards 2035 for Summer 2025

True Document Date: August 11, 2025

All but one group supported this.

Groups noted the importance of ongoing sharing of learning from experimentation and reporting on progress towards the future which are included in the General Secretary's reports to the General Council Executive.

Therefore, the Way Forward Team proposes:

That, in response to GCE03 Supporting Towards 2035, the 45th General Council, 2025

- 1. Extend GCE05 (2022) Living into the Strategic Plan for another triennium (2025-2028); and**
- 2. Include the General Council as an additional venue of experimentation.**
