GC45 WF39: EOO01 Accessibility of Church Decision-making for Summer 2025

True Document Date: August 11, 2025

All but three groups discussed this proposal.

Of the groups who did respond, they all recommended taking no action on this proposal.

Groups recognized that 'in camera' and 'behind closed doors' are not the same. There are existing guidelines for going in and out of 'in camera' discussions, that are in practice.

Therefore, the Way Forward Team proposes:

That, EOO01 Accessibility of Church Decision-making, the 45th General Council, 2025, take no further action.
